CONFIDENTIAL

NIC #5024
11 July 1983

TO: Herb Myer VC/NIC

FROM : [redacted] NIC/AG 25X1

SUBJECT: Draft NICM on LDC Debt Crisis

The attached draft memorandum presents an unorthodox analysis of the LDC debt crisis and one that I believe is important to present to the policy-maker. If the crisis continues to evolve as described in the memorandum, some policy prescriptions would be called for that differ from those that are presently being discussed.

I would appreciate your comments and suggestions on the draft by Thursday, 14 July.
